

2022 NHMRC Near miss and Infrastructure support Form Preview

Applicant Eligibility

* indicates a required field

Applicants please note:

Before completing this application form, you must read the [2022 MSH Research Support Scheme NHMRC Near miss and Infrastructure support Funding Guidelines](#).

Applications close 12 noon Friday 11 March February 2022.

Incomplete applications and/or applications received after the closing date will not be considered.

NHMRC Near miss grants provide a \$75,000 one-off payment to support research studies submitted by MSH employees for consideration in the **NHMRC 2021 Ideas Grants round**. Applications must have been deemed as being highly fundable (category 6) but did not meet the NHMRC's funding threshold.

NHMRC Infrastructure support is an initiative to reward research excellence by supporting the indirect cost of NHMRC funded research. Fractional support is provided to MSH employee's who are CIA and **have secured a NHMRC 2021 Ideas grant** that is administered by MSH or one of its academic partner universities (University of Queensland, Queensland University of Technology or Griffith University). An annual pro-rata amount of up to 5% of the annual NHMRC-awarded amount will be provided for the term of the NHMRC grant.

***The number of NHMRC Near miss grants and the amount of NHMRC Infrastructure support awarded per year is dependent upon the amount of funds made available by SERTA.

If you have any questions in regard to the eligibility criteria, please contact the Research Support Coordinator on 3443 8057 or MSH-RSS@health.qld.gov.au

Confirmation of Applicant Eligibility

I confirm that:

- I have read and understood the 2022 MSH Research Support Scheme NHMRC Near-miss and Infrastructure support Funding Guidelines.
- I am a MSH employee (Honorary Appointees are not eligible).
- my appointment will be for the duration of the funding.
